Dear students,

I wish you a Merry Christmas
and blessed new year !!!

Let your hearts and house be filled with Joy.

Let the world be filled with joy, let's celebrate, the
lord has come, let us receive a king.

God so loved this world that he gave his only son to
save us from our sins and give us eternal life. This is
the season of love and brotherhood. He is a saviour
for his people and a messiah, he taught people to
follow the path of goodness and to believe in the
almighty. Welcome him into your hearts, repent
and return to god. Make this season special, love
one another as you love yourself.

If you really want to gift anyone this Christmas, I
think that no gift will be better than to forgive your
enemy, to do charity, respect and to become good
example to others.

I wish and hope you have a safe and relaxing
holiday season. May your holiday be full of peace,
joy and happiness.

Dr. Deepa C Philip
Principal
