FRESHERS DAY/
TEACHERS DAY

From the Principal's desk,

Dear Students,

I extend my appreciation to you all the students for the initiatives and involvement, you had taken during the past year.

I hope, all the initiatives you had taken would have given you an experience. An experience that is long lasting and that which provides best learning. As all say experience is the best teacher and worst experiences teach the best lessons.

Ensure to take up all the opportunities that come your way, learn from those experiences to become more mature and make you ready to handle difficulties of life.

As we come to the end of this academic year, I wish my dear students all the best for the exams ahead.

God Bless !!

*Dr. Deepa C. Philip,
Principal, MMMCHS*
