“The goal of education is the advancement of knowledge and the dissemination of truth
Education breeds confidence; Confidence breeds hope; Hope breeds peace”

Proper communication plays a vital role in institution's development. This news letter will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. As a guest editor of this newsletter, it has been a pleasure to see the amount of innovation, enthusiasm and dedication of students, staff for their work, providing the best possible outcomes. This news letter was one such cherished work that had its roots in its persuasion. It would be a snapshot of the various activities and advancements for all associated with the MMM College of Health Sciences. This issue focuses on the successful conduct of Sports day, culturals, Staff and Student tour, national conference on laboratory sciences, College assembly with workshop on POCSO. A huge thank you to all who have contributed to the wonderful and inspiring articles, without which, there will be no college gazette. This issue of newsletter should inspire all of us for a new beginning enlightened with hope, confidence and faith in each other.....

Happy Reading !

DIABETES DAY

On the event of the World Diabetic Day. Department of Diabetology, MMM in collaboration with MMMCHS organized for a walkathon from 7H bus depot to MMM hospital.

The walkathon was flagged off by DMA Dr. Solomon JK Wilson, Dr. Manoj Shah and Dr. A Ramanan joined the walkathon along with the students. Students had placards and charts on awareness on Diabetes. They also recited slogans about the care, prevention and symptoms of the disease.
